

DeCamp, if what I am saying is intimidation, then make the most of it. But I certainly intend to carry through on it. And here is my reason. I will say it again. I am very much opposed to what Ak-Sar-Ben does, not just on this occasion but others. But, remember, we have a separate distinct issue from that. We have a bill which Ak-Sar-Ben is attempting to violate. I am trying to prevent that violation from occurring. If it does occur and they contaminate the bill and it becomes a carrier of something which is very, very bad and we cannot cure the contamination, then that which is carried and that which carries it must be disposed of. We all understand that. So this may be a bitter but necessary lesson that Senator Conway is being taught by Ak-Sar-Ben and Ak-Sar-Ben's minions. I am asking that you vote yes on this motion to reconsider.

SPEAKER NICHOL: The question is the motion to reconsider. So if I may briefly explain it to you, we are reconsidering our motion to return. Now if this passes, then we are back to Senator DeCamp's motion. So all those in favor vote aye, opposed nay. It requires 25 votes to reconsider. Have you all voted? Record, Mr. Clerk. Senator Chambers.

SENATOR CHAMBERS: (Microphone not on)...to be under call, so...well, I am going to ask for a call of the house because actually we are not. But at any rate, I would like us to check in and be sure we are here, or whatever has to be done to do that.

SPEAKER NICHOL: Okay. The machine is on the rampage here. Hold up. While they are fixing the machinery, may I introduce some guests in the north balcony of Senator Abboud. We have 24 fourth graders from Hitchcock Elementary School in Omaha and teacher. Would you folks stand and be recognized? Thank you for visiting us. Now I may suggest that you please don't lean over too far because you might fall over and strike a good Senator, so sit back just a little bit, please. Thank you. Now would you please check in. Record your presence. Please return to your seats and record your presence. We are under...we are on Final Reading. Please look up to see if your green light is lit. If not, please punch it, front row, and please turn off your speaking light so we can have an accurate go next time around. Senator DeCamp, Senator Schmit, Senator Haberman, Senator Higgins, Senator Sieck, Senator Smith. We are
